TASHA, MARC & JORDAN

"I hope you boys like leather and latex, because I'm in a bit of a kinky mood today," Tasha called out with her game face on, putting her co-stars on notice that this wasn't going to be your typical threesome.

Tasha took each of the men by their stiffies and walked them to the middle of the room. With one pipe filling her mouth, Tasha tugged at the other with a wicked grip, then she swapped the spears as each became rock hard and veiny.

"Now, the way this is gonna go down is, I want you to work me from both ends," Tasha pleaded. "That means one in my pussy and one in my mouth!" Having received her wishes, Jordan took a seat, took Tasha into his arms and placed her on his lap so his hardness could find its way deep inside her love canal.

Tasha began her pony ride, then helped herself to a handful of Marc's nuts. She toyed with the jewels as her lips attached themselves to his eager baton. The boys fucked her with wild abandon as sucking sounds mixed with the racket of her ass banging against Jordan's beanbag.

With her mouth full, it was hard to understand what Tasha was trying to say. It must have been some kind of heads-up about an impending orgasm, because her mumbling was soon followed by

a gush of juice that erupted from her pussy and covered Jordan's cock and balls.

Marc helped Tasha to her feet then returned her to the seated position, this time in reverse cowgirl, on his own cock. Jordan took his place by Tasha's mouth as she set out to lick and suck every last drop of her own cum from his steely staff.

"Boys, let's pick up the intensity a bit," Tasha said. "Don't worry. I can take it. I'm a grown-up girl."

Accepting her challenge, Marc and Jordan turned up the heat and pumped Tasha full of dick with every drop of energy they could muster. Marc nodded that he was ready to pop, and, a few humps later, Jordan was ready to spew as well.

Tasha put her knees to the floor, and with a click in each hand, drenched herself in their fuck foam.

"Now that's how you slap nasties XXX style," Tasha congratulated her mates. "I'll be feeling that screw all day. It's exactly what I wanted." ♣

MARIE & DANNY

34367

Danny had a bit of a foot fetish, so Marie was only too happy to step right up and please him. It wasn't long before this kinky couple get right down to business and the sucking and fucking commenced.

Sweet and sexy redhead Marie McCray is always willing to try anything and everything to please her partners. If that means jerking them off with her pretty little feet, then so be it. As long as it means that stiff cock is going into her mouth and then into her pussy, she's okay with it all.

"I'm far from your vanilla kind of girl," Marie confessed. "I want to

try different things and it never matters what it is. If I'm not into it, I move on. If I get into it, the sky is the limit."

Well, Marie really liked this whole experience. She rode Danny like he was the last dick on earth. And when he was ready to erupt, she got a pedicure of paste on her pads. It's time to cross this off her sexual bucket list. ♡

CLUB EXTREME ON THE SET!

THE BEST HEAD IS UNDEAD BEYOND FUCKED A ZOMBIE ODYSSEY

STARRING: BONNIE ROTTEN, ASPHYXIA NOIR, NIKKI HEART, PHOENIX ASKANI, ANNIE CRUZ, TOMMY PISTOL, MARK WOOD, JOHN STRONG **DIRECTOR:** TIMMY PISOL **STUDIO:** SMASH PICTURES

Nothing is hotter in entertainment right now than zombies. Top-rated shows like "The Walking Dead" and blockbuster movies such as World War Z have proven it. So, it was high time someone in smut tackled the undead and that's what Tommy Pistol and Smash Pictures did with Beyond Fucked: A Zombie Odyssey. There is no one better to star in such a fuck flick than one of the hottest stars on the planet these days, tattooed temptress Bonnie Rotten.

In the not too distant future, the world as we know it no longer exists. Instead of majestic mountains and amber waves of grain, our world is a toxic wasteland filled with pain, strife, and death due to a government-controlled apocalypse that has turned mere mortals into flesh-starved zombies.

Created through the food we ate and the liquid we drank—a carefully crafted obesity epidemic took over the world, infecting a quarter of the human population. In an effort to cure this disease and further line the pharmaceutical companies' pockets with money, a 'thin' pill was invented. With this new pill in place, weight simply began dropping off as bodies ingested their own fat from the inside. Without the need to eat, people were able to gorge on themselves and lose hundreds of pounds in the course of a few days. Although this wonder drug seemed like a miracle pill at the time, when people had no more fat to dispose, that's when the hunger for human flesh took over. Now with insane zombies needing to feed, the world has become Beyond Fucked!

Hired by a mad scientist to collect the uninfected seed of healthy, human men—Bonnie Rotten—a bounty hunter and zombie assassin—sets out to seek and collect semen at all costs. Will she be able to collect enough human seed to repopulate the Earth? Or will it be swallowed whole by cum hungry zombies? This and more is on the line in director/performer, Tommy Pistol's psychotic thriller that is just

as gruesome and gory as it is gripping and groundbreaking. It's do or die time, my friends—or your corpse may be what's served on today's torrid menu!

The zombie odyssey begins in a grungy bedroom with Bonnie Rotten and Tommy Pistol, years before the global pandemic has reared its

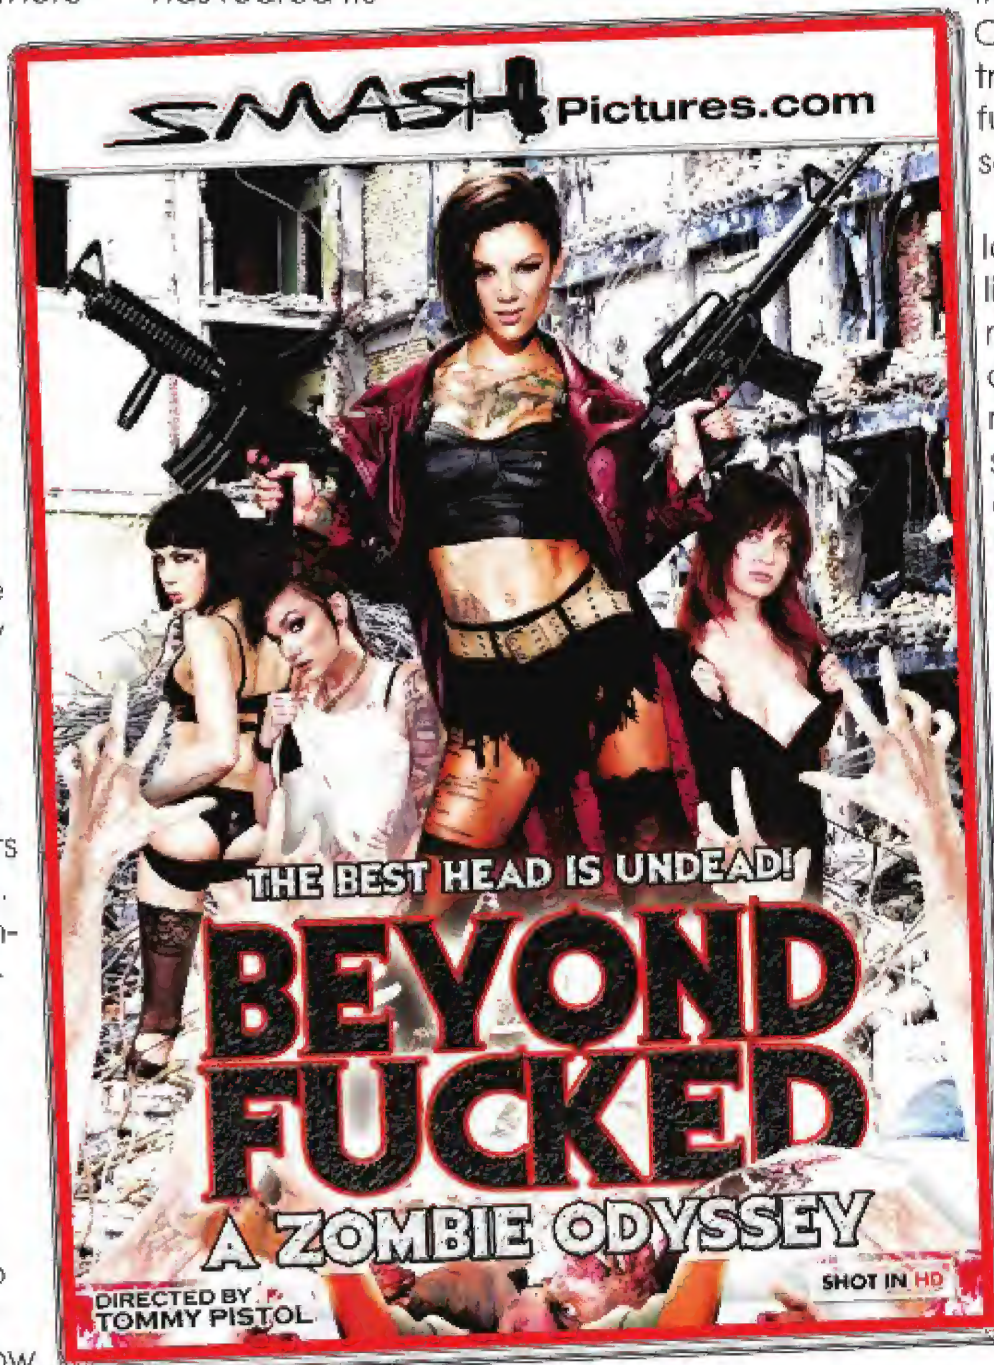

chest all slimy and wet. Sinking his hands into her pixie short hair, Pistol sighs, "Get that shit in your mouth!"

Now, as Tommy's cock stands at full attention, Bonnie leaps onto her pencil thin legs and hunkers down in cowgirl position. With deliberate hip and leg movements that have her working his prick like an Olympic gymnast, Rotten does not treat him with kid gloves. Instead, she fucks him dirty—causing him to scream louder than the sirens.

"Kiss me while you fuck me," she later charges, seemingly ingesting his lips and tongue with her hungry mouth. Once finished, she spins around in reverse cowgirl, giving the room an unobstructed view of her store bought titties and fat pussy. Undoubtedly, this is the exact way to begin any porn movie.

Just as Pistol blasts his cum bullets across her pearly whites, his infected cousin comes smashing through the bedroom wall like a wrecking ball. With blood dripping from her mouth and the innards of some poor soul hanging from her hands, the flesh-starved zombie attacks Tommy, sinking her decrepit teeth into his neck. Now, while Tommy is in the midst of transforming into a flesh eater himself, Bonnie manages to escape.

Now, six years in the future, the world is on the brink of collapse as zombies roam the streets like feral cats in search of ham bones to gnaw on. On a mission to collect righteous semen from mortal men, Bonnie ends up at a seedy motel and fight club called Hell House. But before engaging at the task at hand, Rotten decides to down a stiff drink and retreat to her blood stained room before show time. With Nikki Heart, the sexy bartender who's hot on her heels—it seems like these bitches are in the mood for something a lot harder than their shot of whiskey. Once they are inside the shitty room, they scan each other's necks with a handheld device that ensures they are not infected.

ugly head. With emergency broadcasting alarms blaring on a nearby television set, the horny lovebirds disregard the warnings and are more interested in devouring each other than heading for the hills.

"Now, I'm ready to suck dick," Rotten smirks, lunging toward Tommy like a horny sprite, lodging his cock in the back of her throat. With loads of saliva and skillful hand movements, Bonnie takes pride in treating her boy toy to a sloppy enriched blowjob that leaves her tattooed

BONNIE ROTTEN & NIKKI HEARTS

ANNIE CRUZ & TOMMY PISTOL

"Good thing we're clean," Bonnie flirts, throwing Nikki down on the dilapidated mattress that is stained and soiled. Thrusting her legs in the air—Heart rejoices in watching Bonnie peel down her skintight jeans with her teeth. As the starched material makes its way down her stems, we can visibly see a pool of pussy pottage swimming between the folds of Nikki's wet wanton. Quick on the drip, Bonnie sees it too, devouring the contents of Nikki's saucy slit like a drunken sailor. "Now, this is what I call a fucking cocktail," Bonnie sneers, going in for another gooey mouthful of Nikki's tangy twat.

Eager for beaver, Nikki reaches her hand into a bag and pulls out a series of vibrators, dildos and a Hitachi wand. Ready to be poked and prodded, Bonnie lies on her back, holding herself open at the ankles. Slamming right into action, Heart warms up Bonnie's beefy beaver with her hot tongue before stuffing the tat-

tooed tart full of toys. After several sturdy stuff sessions, Bonnie snaps, crackles and then pops!

After spotting her target, John Strong-Rotten makes a call to the mad scientist, Mark Wood. Locked in the bowels of his secret laboratory, Mark is conducting a battery of human population experiments on his latest female subject, Phoenix Askani. "You may be the new Mother Mary," Wood leers, inspecting a handful of her fleshy tits and her ripe ass.

Now standing face-to-face, not a word is spoken between the doctor and his pretty patient. Instead of actually vocalizing their desire for one another, they are vigorously rubbing each other's crotches, which in turn is communicating volumes to everyone in the room. As Mark's wood bursts a hole through his pants, Phoenix drops to her knees, interlaces her hands behind her back and begins to devour his dick. Treating him to one of the most delicious looking

blowjobs ever witnessed, Askani certainly knows her way around a meaty bone. "I know you like that," she moans, curling her small hands around his fat balls, further pleasuring him.

Ready to thoroughly inspect Phoenix from the inside out—Wood places her up on the hospital gurney. Yanking her legs open like a wishbone, Mark slams his dripping wet cock inside of her sodden slit. Feverishly fucking her at a frantic pace, it's clear Phoenix loves his aggressive cock pounding and even begs him to go harder.

Happy to oblige, Mark spins her around in a doggie arrangement and gives it to her, double barrel. As her slit sauce drenches both of their crotches, Mark continues pounding his new prodigy to a pulp. After a few more arrangements, Mark tugs his tool from her tight twat and gives her a mouthful of his population pudding!

Ready to collect some semen and a

ASPHYXIA NOIR & JOHN STRONG

healthy bounty from the mad scientist—Bonnie waits at the hotel room door as Asphyxia Noir and her target, John Strong, make their way into the ramshackled room. Throwing his hot bitch onto the bed, we can tell that John is a man that is hungry for hardcore sex. After fondling her luscious body and inspecting every one of her tattoos with his tongue—he urges Asphyxia to drop to her knees and give him fifty... licks that is!

Wrapping her candy pink lips around the head of his cock, Noir looks even more beguiling with a huge cock hanging from her mouth. Sucking and slurping like a slut, she enjoys painting red lipstick rings around his shaft until John's cock looks just like a peppermint stick. "Fucking delicious," she mouths, wiping the saliva off her lips with the back of her hand. Not interested in her commentary, Strong stuffs her face full of prick once again and spits, "I'm going to fuck the shit out of your skull."

Ready to elevate their erotic experience, Asphyxia positions on his lap in cowgirl position and begin bouncing atop his boner like a metal spring. As her slender body bounces up and down, John reaches out and grabs handfuls of her perfect tits, tweaking her pink nipples in circles as she continues jockeying his joystick. Screaming in pleasure, it doesn't take long before Noir's she-cum is pouring down her legs.

Right as her orgasmic fervor is churning the cream from his utter, Rotten bursts into the room and barks, "Spit all of his cum into this vile!" With no choice but to oblige, the petrified perverts do as they are told. Now, with more sperm in her arsenal, Bonnie makes her way through the hotel. The only problem is that the zombie population has infiltrated Hell House. Will Bonnie come out of this alive, or will she be another victim that proves that the best head comes from the undead? We guess you'll have to tune in to see what happens next! ♣

PHOENIX ASKANI & MARK WOOD

BONNIE ROTTEN & TOMMY PISTOL

HENNESY, TIFFANY & LEE

"I was just about to jump on my man's hard stick when the doorbell rang," Hennesy explained with Lee's hard dick in her hand. "It was Tiffany doing one of her unannounced visits. So we decided to go with the flow and invite Tiffany to join the fun."

Lee presented his hard-on to Hennesy and Tiffany, and the ladies immediately hit their knees and started slapping their tongues against his cock and ball sack.

Hennesy could see how turned on her man was getting from having her best friend suck his dick, so she allowed Tiffany to take his rocket in her dripping cunny first.

Tiffany was a bit shocked at how big Lee's cock was, so it was

slow going at first getting the entire compliment of his rod in her pie. Hennesy kissed and fondled her friend's boobs as Lee warmed her pussy up to the wide girth of his knob.

When Tiffany got her fill of the hammer, Hennesy took her place atop her man's pole as Tiffany took her a seat on Lee's face.

For the pop shot the girls lined up in front of the cock and bathed in the massive load of cum that rained upon them. ♠

NATALIE & HOLLY

33412

As soon as her boyfriend finishes with her, Natalie Heart gets him on his way as fast as she can and calls her bestie, Holly Michaels, to come over and lap up all the fuck froth in her twat and finish her off. Holly is what you'd call a "poon foodie," an ardent lover of gourmet gash. Like any rare delicacy, a freshly fucked cumhole is best when it's still hot and steaming. To show

just how dedicated she is to indulging in her favorite treat, Holly's lower tummy even sports a tat of a pair of hungry, kissing lips. Some like white truffles, bird's nest soup, or rare kobe beef, but for Holly, the ultimate taste is right on the tip of her tongue: raw, spunk cunt with just a touch of flavored lube. Bon appetit! ♡

Q&A BY
ROB PEREZ

KENDALL KARSON

PHOTOS COURTESY OF DIGITAL PLAYGROUND, JULES JORDAN, NEW SENSATIONS/DIGITAL SIN,
SMASH PICTURES, & ZERO TOLERANCE/3RD DEGREE

Porn Valley, CA—Porn starlet Kendall Karson has been on the XXX fast track since entering adult in 2011 and the one-time fashion model has already collected a bunch of hardcore accolades. Not bad for someone who never considered doing porn up until a year ago. Born and raised in a conservative Christian home, the college-educated Kendall worked as a dental assistant, pharmacy technician, ran a gourmet cupcake company, and worked for one of the largest energy companies in the United States. Bored, Karson then decided to pursue success in porn where she continues to rake in the bucks. Kendall has already won multiple awards in 2013: AVN's Best New Starlet, Exotic Dancer Awards' Adult Movie Feature Entertainer of the Year, and has been nominated for Sex Awards' Porn Star of the Year, Sexiest Adult Star, and Porn's Best Body. A rising, young star, Kendall is part of the new breed of porn star that possesses runway model looks but who's incendiary in the sack, to boot.

I was watching a BTS of a photo shoot for your website. The guys were all hanging around ogling and you were posing for the camera. The one thing I noticed was that they were all just mesmerized by your abs.

Really?

Yes, every guy was talking about how incredible your stomach is and they were right. Wow, I had no idea. Well, thank you! I didn't know that my abs had caused such a stir.

They're not just flat, but toned, with a perfect amount of definition.
Thank you.

Must be your genetics.

Must be. You know I get asked all the time what I do to keep my abs like this and I honestly don't know what to say. I played sports growing up, but I have not seen a gym in about eight years.

You look like you workout every day.

Well, I'm on a sex and cum diet right now, which is all cardio and protein. So I should be all set.

Are you a size queen? I saw a scene with you and Billy Glide and you looked like you had no problem with his cock at all. Billy is definitely the biggest guy I've worked with in the industry so far. I don't think I can take much bigger than him, honestly. I love him to death, and he's a great guy, but I do have a very, very tight pussy and it took a lot for me to do that scene. I've done four scenes with Billy now and we work great together.

After you do a scene with a monster-like dick, is it hard to go back to a smaller, average-sized penis?

No, no, no. No matter who or what I work with it's always great to go right back to a more comfortable penis that I can really work with.

So, no Mandingo in your future, no Shane Diesel.
No, I don't foresee that happening, but you never know.

33146

Yeah, I stayed up top more, near the clit, and made it look good, but I wasn't going to town or anything.

Did you say something to the performer or just grin and bear it?

I don't want to embarrass girls on set, so if or when I get a moment alone with them, I'll kind of say, "Hey, can you go douche?" If I can't get them alone, I won't call them out in front of all the guys because then that's just being mean, so I'll just go and do my job.

What made you get into the industry?

I got into the adult industry because I was in a bad three-year relationship where I was lucky to get sex once a month for five minutes. He never wanted to do anything more than missionary or doggy. I tried bringing girls into the relationship, role-play, and toys, but he didn't want anything to do with any of it. When I broke up with him, I got back into mainstream modeling where I was then recruited into the adult industry. I called up a high fashion photographer friend of mine in New York and asked him for advice. He told me I had everything it took to be a successful porn star and to try one scene, and if I didn't like it I never had to do it again—but at least I would know. Two weeks later

I can go down on a clean pussy all day long, but I could never give up cock.

I moved to LA and here I am now. I feel that porn is the best way for me to try everything I want to sexually and in a safe environment.

How does it feel to explode on the scene and be nominated for numerous AVN awards?

It feels amazing. I've worked extremely hard to get to where I am in my career. It has taken serious ambition, dedication, and follow-through. Seeing all my hard work starting to payoff is very rewarding and pushes me to take it to the next level on a daily basis. I wouldn't be where I am today without the love, support, and encouragement of my fans, and for that I can never thank them enough.

How would you describe this past year?

This year has been incredible so far. I will be focusing on PR, feature dancing, conventions, meeting my fans nationwide, feature/parody movies, radio, opening my own production company, launching a network of sites, and many other large projects that I am excited about and will be announcing in the near future.

Where do you see yourself in the next five years, 10 years?

In the next five to 10 years, I see myself very involved in the adult industry performing, directing, and producing content. I am opening up my own production company this summer, which I am very excited about and plan on investing a lot of my time and money into it, so that I can invest in many other business ventures in the future. I also hope to be nominated for more awards, be on more magazine covers, and have my own Fleshlight. Someday, in that time frame, I hope to find the right man for me and have a family, but I'm not going anywhere anytime soon.

Can you describe your first day on set?

My first day on set is a day I will never forget. I was so anxious and didn't know what to expect. My adrenaline literally pushed me through my scene. I was naked, playing video games, ignoring my boyfriend, until he

33625

Are you bisexual?

I am. I can go down on a clean pussy all day long, but I could never give up cock.

You mentioned the word "clean". Cleanliness is obviously an important component.

Yes, because some girls are more hygienic than others and I wouldn't want to be down there all day if someone has not done their house cleaning, if you know what I mean.

I hear you.

Plus, the girl has to be turned on by it. If a girl is "gay for pay" and she's just going through the motions to pay her phone bill, you can tell and nothing is really gonna get wet that day. I need a girl to be into it just as much as I am to make it fun and hot.

That makes sense.

I'm a giver. Giving pleasure to people is what gets me off, so if the girl I'm with is not getting excited, it's a turn off for me.

What's the worst pussy you ever went down on?

It was just smelly and sweaty and had a yeast infection.

And you still went down on it?

THE FUCK FACTS

Birthday: March 28, 1988

Birthplace: Sacramento, CA

Height: 5'8"

Weight: 112 lbs.

Measurements: 32D-25-37

Movies: *Code Of Honor* (Digital Playground),
Foot Prints (Smash Pictures), *Sport Fucking 10*
(Jules Jordan), *Man Of Steele XXX* (Vivid),
Chicks and Guns (3rd Degree)

It really depends on who I am having sex with because everyone connects in a different way, but I usually prefer doggy, missionary, and cowgirl.

Whom would you prefer to take home for the night, a man or woman?

Can I take both? That's more fun. I think having more people involved can be more erotic because not only are you involved and can do more things, but you can watch as well, which can be a huge turn on.

Describe your ideal man.

I don't really have a type, per se. I find intelligent, driven men who know what they want and how to achieve it to be extremely sexy. It's one thing to be confident, yet not cocky, and talk the talk, but it's another to actually follow through and show results. I'm simple, I want a man who will respect me, be honest, communicate with me, and a sense of humor is always a plus. As far as my favorite parts

I thought I would be an overachiever and really impress the director by swallowing the pop shot. The only problem was they hadn't taken stills of the cum shot yet.

seduced me into having sex with him. I was so focused on giving a good performance that I blocked everything else out and didn't even notice the major rug burn I had on my knee from riding in cowgirl position on the carpet. I had always swallowed my boyfriends' cum in the past and just thought it was normal, so I thought I would be an overachiever and really impress the director by swallowing the pop shot. The only problem was they hadn't taken stills of the cum shot yet. No one had explained to me in advance what the procedure of filming a pop shot was and I assumed I would be grossed out by the cum. The director's face went blank. He said, "Well, I give you an 'A' for effort and for being so ambitious, but we have to take pictures of the cum before you swallow it." [Laughs] Luckily the male performer was able to provide another pop shot quickly and the

scene came out great.

What has been the best thing to happen to you in the industry so far?

Obviously, getting nominated for Best New Starlet and Best POV Sex Scene at AVN 2013 was a very big honor and achievement for me. Other great things would be acting in the new *Superman: Man of Steel* feature for Vivid, and *The Love Boat XXX* parody for Adam and Eve and XPlay.

How about the worst thing?

I have been fortunate and haven't had any major negative experiences or issues so far in my time in the industry.

Describe your favorite sex position?

on a man, I would definitely have to say the eyes, abdomen, and ass.

Please finish this sentence: "My life's motto is..."

My life's motto is live life unconditionally everyday. You only live once and life is so fragile and so many people take it for granted. No matter what I have been through in life, the good, the bad, and the ugly, I wouldn't take any of it back because it has helped me become who I am today.

CONNY & DENSON

"Hey! I want some of that!" Conny called out to Denson, who laid back stroking his hardness through his jeans. She drop-ped her skirt to the carpet, crawled up on Denson and caressed his cloaked pipe with both hands as her long, brown hair fell along his shirtless torso.

Conny removed the rest of her clothes, stood over Denson and presented her hairless pussy to his face. Denson eagerly applied a heavy lick to the wet and swollen pink be-fore him. He sucked her clit into his lips and tugged lightly at the skin with just enough pressure to buckle Conny's knees and get her off.

Undoing his pants with her fingertips, Conny inched the blue jeans over his lump, then ran her tongue along the raised out-line of his briefs. Unable to stand the slow tease any longer, Denson implored Conny to free his cock and work her lips and tongue on his nuts and shaft.

After a very well executed tongue bath, Conny squatted on the cock in reverse cow-girl and bounced off his beef like she was breaking in a wild bronco.

Flipping the script, Denson put Conny on all fours, grabb-ed her by the waist and hoisted his wood way into the confines of her wetness. The next stop on the "Screw Express" was some spread-leg, traditional mish followed by bringing the session full circle with Conny back in the saddle on top.

"I want the load on my tits," Conny suggested, believing that Denson's cork was about to pop. Wanting to make his girl happy, Denson pulled out and spread his seed across Conny's fun bags.

"You can have this back now," Conny said while strok-ing Denson's cock a few last times before releasing her grip and re-turning to her feet. "But don't stray too far away, I think I'll be needing that inside me again real soon." ♣

RIHANNA, SILVIE & NICK

"Teaching English abroad was, like, totally one of the most challenging, but, like, rewarding life experiences ever," reflects horny American inspiration Nick, just back from his international service year. "My students had such a desire to learn, like they wanted to suck the knowledge right out of me." Here, star pupils, Rihanna and Silvie,

absorb Nick's lesson plan during one of his many jism-splattered cram sessions. "It feels really good being a beacon of freedom, bringing hope and cratered ass-cavities to folks in foreign countries," he says proudly. "One day, I hope to, like, totally go back to England and see how my students are progressing."
